## **I. Introduction**

### **A. Articles of Faith**

The First Baptist Brandon Christian Academy has adopted the following Articles of Faith:

1. We believe the Bible to be the inspired, inerrant, infallible, and authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and His personal return in power and glory.
4. We believe that for salvation of the lost and sinful man, a personal relationship with Jesus Christ is absolutely essential.
5. We believe in the resurrection of both the saved and lost, they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
6. We believe in the spiritual unity of believers in our Lord Jesus Christ.
7. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
8. We believe that a spiritual leader should be an active participant in a local body of believers called the church.
9. We believe that God has commanded that no intimate sexual activity be engaged outside of a marriage between a man and woman. We believe any form of homosexuality, lesbianism, bisexuality, transgender, bestiality, incest, fornication, adultery and pornography are not acceptable according to the Bible. We believe that the only Biblical marriage is the joining of one man and one woman by mutual covenant.
10. We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Genesis 1:26-27) Rejection of one's biological sex is a rejection of the image of God within that person.

### **B. Mission Statement**

The mission of First Baptist Brandon Christian Academy is to honor and serve Jesus Christ by providing academic and Biblical excellence for boys and girls while developing their faith in partnership with the home, the church, and the community.

### **C. Philosophy**

We believe that the education of a child is not an end to itself, but that it relates to a much larger purpose of communicating "the grace and knowledge of our Lord and Savior Jesus Christ." (2 Peter 3:18).

We work in a partnership fashion with the home, the church, and the community to achieve our mission to honor Jesus Christ by creating an environment of academic and biblical excellence for our students while guiding their faith in God.

Our total commitment is to develop a preschool, elementary and middle school program in which our community identifies us as: Christ-centered, educationally sound, biblically influenced, welcoming to all, a place of peace, love and joy, and a school that provides equal opportunities to each and every child.

## III. Child Abuse

Teachers suspecting that a child is a victim of physical, sexual, or emotional abuse will notify an administrator immediately. Educators are mandatory reporters. Teachers, staff, and administrators are required by law to report potentially abusive situations.

If the Administration is not available, a teacher will notify one of the Pastors of First Baptist Brandon. The teacher should also contact the Florida Abuse Hotline at 800-962-2873.

## IV. Conflict Resolution

There are legitimate ways to handle any complaint which may arise during the school year. First Baptist Brandon Christian Academy encourages each parent to respect the teacher as a professional, and likewise, the teacher to respect the role of the parents.

The common goals of Christian teachers and parents can be more readily achieved when a friendly, open relationship exists between the home and school. Therefore, special mention is made of the best method for resolving problems. Please heed the following guidelines:

1. When a classroom problem or other situations occur, the parent must first take the problem to the teacher. This can normally be handled by a telephone call or note.
2. If a conference is needed with the teacher, the teacher should contact the parent to schedule a conference. The teacher should notify school administration with the date and time a conference will take place. After the conference has taken place a Parent/Teacher Conference Form must be completed and placed on file.
3. Should the matter still not be resolved, a conference with the parent, teacher and, administrator may become necessary.
4. If the problem is not resolved, the Administrator will contact the appropriate ministerial staff member, Senior Pastor and/or Children and Families Committee.
5. Some dos and don'ts.
  - a. Problems should not be discussed in the hallways, before school, or during school hours. Whether by phone or in person, teachers are available after school.
  - b. Do not discuss your problem with uninvolved parties (secretaries, other teachers, other parents, etc.).
  - c. Do not discuss problem situations in front of children.

**If any step of this process is skipped, the parent will be referred back to the appropriate person.**

If parents lose their tempers, become verbally or physically threatening or hostile, including cursing and using foul language towards children, parents, or First Baptist Brandon Christian Academy faculty and staff, the administration reserves the right to remove the parent(s) from the campus, from any and all extracurricular activities, and/or dismiss their child/children from First Baptist Brandon Christian Academy.

If parents are having difficulties with each other because of situations occurring at school, it is expected that the parents will involve administration in the resolution of these issues. Otherwise, any discussion of problems not involving the school should occur elsewhere.

## **V. Attendance Policy**

First Baptist Brandon Christian Academy operates from August – May each year.

### **A. Absences**

Parents should call the school (689-9435) by 8:00 a.m. the day a child is absent; then when the child returns to school students must bring notes written by parents/guardians and/or doctors to the teacher. Teachers will provide the opportunity for students to make up missed work in a timely fashion, but the initiative for commencing and completing make-up work rests with the student/parent. Make-up work must be completed within one week following the last day of absence. All notes from parents or guardians will be kept on file until the end of the school year.

- i. **Excused Absences**  
An absence will be excused in the case of illness, death in the family, or if written prior notice of an absence was given to and approved by the administrator. Students with excused absences will be allowed to make up all missed work within one week of the date of absence. Students who prearrange absences are expected to have all make-up work completed prior to leaving or immediately upon return.
- ii. **Excessive Absences**  
A maximum of five absences (excused or unexcused) will be allowed per nine weeks. Excessive absences should be brought to the attention of the administrator.

Conferences will be scheduled with parents by the administration to discuss the importance of regular attendance. Behavior/citizenship/conduct will be affected.

**B. Tardiness (Preschool & Elementary) - *See Middle School Addendum for MS tardy policy***

Students in preschool and elementary are considered tardy after 9:00 am. (Middle School after 8:30 am). Excessive tardiness should be brought to the attention of an administrator. Conferences will be scheduled with parents by the administration to discuss the importance of timely arrival. Behavior/citizenship/conduct will be affected.

**i. Excused/Unexcused Tardy**

Excused tardy includes personal sickness, family emergency or road emergency. If a student is late to a class period due to being held up in a previous class period, it is the student's responsibility to obtain a note from that teacher for an excused tardy.

Unexcused Tardy includes oversleeping, traffic problems, stopping for breakfast or leaving home late.

**ii. Excessive Tardy Policy**

A maximum of 5 tardies (excused or unexcused) will be allowed per nine weeks. After 5 tardies the student will not qualify for perfect attendance.

**C. Leaving School Early**

A child must have permission from his/her parent or the school administrator before leaving during school hours. The child must be signed out of the school office and a staff member will bring the child to the office. No child will be released to an adult until proper identification is made. If another person is picking up your child please send a note to the teacher or call the Academy office before your child is picked up. Notes brought in by someone picking up the child (other than the regular pick-up person) will not be accepted by the teacher.

**Parents are asked not to drop off late children or pick them up in the classroom.**

**VI. Drop-Off/Pick-Up Procedures**

**Preschool/Elementary**

Students will be walked to the classroom between 8:45 am and 9:00 am. Students who arrive after 9:00 am must be walked to the Academy office to receive a tardy pass.

**Middle School**

Students should be in the classroom daily at 8:25 a.m. Students arriving after 8:30 a.m. must walk to Academy office for a tardy pass.

- Students, birth – 4 years old, should be picked up from the classroom at 1:30 pm. Parents arriving after 1:40 pm must pick-up their student in the Extended Care.
- Students, Kindergarten – 5<sup>th</sup> grade, should be picked up from the classroom at 3:15 pm. Parents arriving after 3:25 pm must pick up their student in the Extended Care.
- Students in Middle School will be dismissed at 4:00 pm daily.
- If your child is attending our “Extended Day Program” he/she will be delivered to the Extended Day class by our staff. Parents will pick-up their student from the Extended Day class at the designated time agreed upon. All Extended Day students must be picked up by 5:30 pm. (See Extended Care for more information)

## VII. Discipline Procedures

Children thrive in a climate where they are respected, and clear guidelines are enforced as to acceptable and unacceptable behavior. At First Baptist Brandon Christian Academy, the following disciplinary practices are used:

- Teachers explain and review with the children age appropriate behaviors to use during a class session.
- Children may be provided incentives such as praise, special privileges, a positive note home, a positive phone call made to parents, or an award given when appropriate behavior is shown.
- If a child chooses to misbehave, he/she is reminded in a positive and loving way of what is appropriate.

When inappropriate behavior occurs, any of the following may be employed depending upon the nature of the behavior and the age of the child:

- Verbal correction by the adult in charge of the group.
- Removal from the group for a brief period of time (“time out”).
- Referral to the Academy office for counseling and “time out”.
- Notification to parents for their assistance in correcting the inappropriate behavior.

### Cell phones and Electronics

Cell phones or any electronic devices (Laptops, iPads, iPods, Nooks, Kindles, MP3 players, digital cameras, video recorders, gaming devices, etc.) are not to be used or seen during any part of school or extended care and at no time in bathrooms, locker rooms, lunchroom or playground.

Any use of a cell phone or electronic device during school hours will result in disciplinary action. If a student chooses to bring a cell phone or electronic device to school, it must be secured in the student’s locker or backpack and must be turned off (not silent or vibrate). If a student brings a cell phone or electronic device to class or the phone rings or receives messages even while in a student’s locker or backpack, the phone or electronic device will be confiscated for the remainder of the day. Confiscated phones or electronic devices may be picked up by a parent after school with administrative approval. Students whose phones or electronic devices are confiscated more than once may lose the privilege of having a phone or electronic device on school property.

Use of a cell phone or electronic device during a test for any reason will automatically be considered cheating and appropriate academic and disciplinary action will be taken at the sole discretion of the administration.

NOTE: An exception to this policy is the use of iPads in Middle School and only for school purposes as directed by the teacher. Please see section XVIII “Middle School Technology Agreement” for the specific policy that applies to Middle School.

**NOTE: This is a general overview of our discipline plan. Corporal disciplinary action is not used at any time. Consideration is always given to the age of the child and specific needs of each and every child. Each parent will receive a copy of the discipline plan for their child’s classroom.**

## B. Textbook/Curriculum

The curriculum is to be used as a foundation on which to instruct students. No subject matter from the curriculum guide will be deleted without permission from administration. Additional resources may be used with permission from school administration. The teacher is encouraged to supplement chosen texts with his/her own material or other available material which is consistent with our philosophy. We also choose to magnify the Biblical reason for Christian holidays rather than the secular since so much attention is given to the secular outside of school. During Christmas, Santa Claus will not be discussed and will not be used as decoration in classrooms. Easter eggs may be used as an evangelical tool. The Easter Bunny will not be emphasized. First Baptist Brandon Christian Academy does not agree with nor promote the practice of Halloween and its familiar symbols (witches, goblins, ghosts, jack-o-lanterns, etc.) Magic, luck, dragons, and/or other occult or new age signs such as ying-yangs are prohibited.

## C. Report Card Calendar (Elementary– Middle School)

If any books are lost or damaged during the school year, it is the parent’s responsibility to replace the book.

The splitting of a family is traumatic for parents and particularly for students. Consequently, the focus of First Baptist Brandon Christian Academy is on the safety and well-being of your student, and our instituted policies are to further those goals.

- **Custody documentation.** At the time of enrollment, parents shall provide all relevant documents concerning custody or visitation of each student enrolled at First Baptist Brandon Christian Academy. Enrollment is not complete until custody documents are on file with the school. Parents of enrolled students shall have an ongoing duty to provide any documents and information relevant to a change in current custody or visitation rights to the Academy within seven days of change or at the time of reenrollment if the school has dismissed for summer break.
- **School Records.** A noncustodial parent shall have the right to access school records related to his or her student unless prohibited by a legally binding instrument.
- **Dismissal and early releases.** No student shall be released to any individual other than a custodial parent unless express written permission is first given to the Academy by a custodial parent or a valid legally binding instrument granting release is on file with the Academy. All early dismissal requests shall go through the principal's office. A parent cannot ask the school to withhold release of his or her student to the other parent or parent's representative without a legally binding instrument.
- **Parent-Teacher meetings.** It is the Academy's policy to provide separate parent-teacher meetings if the need arises and if the school is informed in a reasonable time.
- **School communications.** It is the custodial parent's duty to communicate with the noncustodial parent regarding school announcements and notes. The Academy will provide communications to noncustodial parents upon request as long as a court order does not prohibit it.

## Athletics

FBBCA is a part of the Tampa Bay Christian Athletic League (TBCAL) and offers 4th through 8th grade students the opportunity to participate in team sports after school.

Our vision is to create a Christ-centered environment with a high standard of sportsmanship and ethics of fairness and respect. Although winning is a valid goal, Christian coaches will ensure that playing by the rules and glorifying God with our attitude and actions is what we strive for.

The sports that we offer are Volleyball, Cross Country and Basketball with two levels of competition within the league. Our 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders compete at the J.V. (junior varsity) level and 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> compete at the varsity level. Tryouts and practices are held prior to each sport's season. A notarized sports participant and medical release form must be on file for each student to be eligible to play.

Academics, Behavior, and Attendance:

- GPA of 2.0 with no F's or U's on most recent report card and progress report.
- Elementary Citizenship: only one N and no U's allowed on most recent report card and progress report.
- Middle School Citizenship: all E's and S's
- Student must be in school for half a day to attend practices and games (12:00 p.m.)
- Dress code for practices is the same as for the school year. **Shirts must have sleeves. Shorts are to be finger-tip length and loose fitting. Spandex, yoga pants, and leggings are not permitted.** PE uniforms may be purchased and used for practices.

There will be a sports banquet at the end of the school year where athletes receive various awards and trophies for numerous accomplishments achieved during the different seasons.

Athletes are encouraged to wear their uniform jerseys to school on game days and meets with school uniform bottoms or jeans depending on the day. If the uniform is sleeveless the school does require a white T-Shirt be worn underneath it. Uniforms should be returned at the end of the season. Students may participate in all sports offered.

“Equipping Children for Biblical and Academic Excellence”

# Middle School Addendum

## *XVI. Academic Programs*

The middle school academic program places strong emphasis on the development of self-discipline as it applies to learning. This academic work is foundational to future studies. Classes are required in each of the major disciplines (Bible, Science, English, Mathematics, History, Physical Education, Reading, Art, Music, and Spanish). Approaches to teaching and learning include critical thinking, memorization, note-taking, homework, and the preparation of individual projects and reports.

### A. Late Work

Each teacher will have classroom policies regarding late work. The policy is given to students and parents at the beginning of the school year.

### B. Incomplete Grades

When work is not completed, a quarter grade of incomplete is recorded on the report card; if the student does not complete the work (10 days maximum), the incomplete work will be recorded as a zero and averaged with the other class grades. An exception may be granted in the case of extended illness.

### C. Course Failure

Students are required to take independent course work in the summer if they have a semester average of “F” in any subject. Independent study is also recommended for students who have year end grades of “D” in any subject.

### D. Academic Honesty

First Baptist Brandon Christian Academy works hard to develop integrity. Teachers will take the time to review what academic honesty is, but students will be held responsible in the following areas:

- Cheating on tests or quizzes by sharing answers
- Obtaining answers for a test or quiz
- Submitting a paper or project that is not the student’s work
- Falsifying information for forms or assignments
- Submitting work your parents, other students, or another company completed for you
- Plagiarism by failing to properly cite another’s published work

Cheating is a serious violation of Christian character and conduct and will be dealt with accordingly. First occurrence will definitely result in a “zero” grade and a parental contact/conference. Any further occurrence may warrant suspension from school and could result in expulsion.

### E. Locks and Lockers

Lockers are provided for all sixth through eighth grade students. Lockers may not be defaced in any way. Lockers will be inspected from time to time. Nothing may be posted on the outside of the lockers, except as approved, in advance, by the administration, and

anything posted inside must be in keeping with the standards of First Baptist Brandon Christian Academy. FBBCA reserves the right to search any locker without prior notice.

All students are required to have an FBBCA combination lock on their lockers and have them locked at all times except when accessing items for use. Locks will be provided to the students by the Academy and must be returned at the end of the school year or when the student withdraws from school.

F. Attendance Policy

**Tardy policy:**

- 1<sup>st</sup> tardy – verbal warning
- 2<sup>nd</sup> tardy – action plan
- 3<sup>rd</sup> tardy – conference with parent
- 4<sup>th</sup> tardy – behavioral citation; conduct grade dropped; 20 points
- 5<sup>th</sup> tardy – behavioral citation; 20 points
- 6<sup>th</sup> tardy – behavioral citation; 20 points
- 7<sup>th</sup> tardy – behavioral citation; 50 points; detention; conduct grade dropped

**Absentee policy:**

- Conduct grade is dropped after fifth (5<sup>th</sup>) absence
- Student is allowed one (1) week to complete missed work from the time he/she returns to school
- An unexcused absence will receive 85% credit for a missed assignment
- Work not completed within the one week grace period becomes a zero and a detention is served to complete the work

## ***XVII. Disciplinary Policies and Practices***

A. As Christians, our conduct should reflect I Corinthians 10:31:

*“Whether therefore ye eat, or drink, or whatever ye do, do all to the glory of God.”*

The classroom teacher is the God-ordained authority, under the authority of the principal and pastor, to create and maintain a disciplined and productive Christ-honoring learning environment. The levels of offenses listed below are ordered according to the severity of the offense. There are examples of infractions at each level, but this is not an exhaustive or exclusive list. FBBCA administration reserves the sole right to determine what level an offense falls under.

**Level I: Lowest (20 points per offense)**

*Level I offenses include but are not limited to: dress code infractions, locker misuse or abuse, unexcused tardiness to class or school, gum chewing, general classroom disturbances, leaving supervised areas, lying, profanity, abuse of permission, disregard for previous warnings, public display of affection (PDA).*

**Level II: Medium (100 points per offense)**

*Level II offenses include but are not limited to: academic dishonesty (cheating), bullying, disrespect to teachers, staff personnel, or peers, skipping class, leaving campus without permission.*

**Level III: Extreme (300 points per offense)**

*Level III offenses include but are not limited to: vandalism, threats, fighting, truancy, sexual harassment, or participation in misdemeanor level illegal activities on or off campus.*

**Level IV: Zero Tolerance (Expulsion)**

*Level IV offenses include but are not limited to: possession of a weapon (on person, or in locker), use or possession of tobacco, use or possession of alcohol, use of illegal drugs, abuse of prescription drugs, sexual immorality, or involvement in felony level illegal activities. This zero tolerance policy is in effect whether these offenses take place on or off campus. It is the sole reserved right of administration to make the final decision in all instances.*

**B. Accumulation of Points**

Disciplinary points are accumulated throughout the school year. They are not refreshed or wiped out at the semester break. As an incentive, any student with less than 100 points at the semester break will have their record purged for the beginning of the second semester.

*100 Points: Detention (\$10 fine)*

*200 Points: Detention (\$10 fine)*

*300 Points: In-School suspension (usually one day) (\$20 fine)*

*600 Points: Out-of-School suspension (1 to 10 days decided by administration) (\$30 fine)*

*1200 Points: Expulsion from FBBCA*

**C. Detentions**

Students will serve a detention with the accumulation of every 100 points. Detentions will be assigned by the administration and will be served for a one hour period after school hours. Students must also pay a fine the day they serve their detention. The fines will help to defray the cost of paying staff to monitor the detention hall. Students will be expected to serve the full hour, serving the detention in the manner assigned, whether in-classroom work, or work duty. Repetitive detentions may carry additional disciplinary points as a penalty. Parents will be informed of detention in advance by means of a disciplinary referral form sent home by administration. This form will require parental signature and a return to school the next day. Failure to serve a detention will result in an additional 100 disciplinary points. Both detentions will have to be served. Detention fines are incremental. The first two will be \$10. Detentions for accumulation of points from 300-500 will have a fine of \$20. Detentions served for accumulation of points at 600 or more will have a fine of \$30.

**D. Suspensions**

*a. In-school suspensions:* Students accumulating 300 points will be assigned an in-school suspension. In-school suspensions usually are for one day, but FBBCA administration

reserves the right to extend that for up to 3 days total. Students must pay a \$20 fine the day they serve their in-school suspension and it will be served in the school office, in seclusion from the rest of the student body for the school day. Students serving in-school suspension will remain in their assigned place for the entire school day, including lunch time. All school work will be completed as assigned by teaching staff and student will receive “0s” on all regular class work for that day.

*b. Out-of-School suspensions:* Students accumulating 600 points will be assigned an out-of-school suspension. Students must pay a \$30 fine for this suspension. Out-of-School suspensions vary in length from one to ten days. The severity, (number of days to serve) will be determined by administration based on the offense(s), the response of the student, and the cooperation of the home. All regular school work must be completed as assigned and the students will receive “0s” for all regular classroom work completed during suspension time. Research papers and other major projects (as determined by the teacher and administration) will be exempt from receiving “0s.” The student is not permitted to be on campus for the duration of the suspension.

#### E. Drugs, Alcohol, and Tobacco

FBBCA endeavors to maintain a drug free environment. The school takes a serious view of drug possession and abuse, both as a legal and spiritual issue. Students are not permitted to possess, use, be under the influence of, or supply to another student any form of alcohol, illegal drug, or tobacco product. In addition, students are expected to avoid situations in which drugs/alcohol are being used. Should students find themselves in such a situation, they are expected to leave. These standards apply to the student on and off campus. Any violation of this policy will result in suspension pending action of FBBCA administration. Involvement with drugs or alcohol normally results in expulsion. Law enforcement agencies will be notified when appropriate.

#### F. Harassment/Bullying

FBBCA is committed to maintaining an environment in which all individuals treat each other with dignity and respect and which is free from all forms of intimidation, exploitation, as well as hazing and harassment, including sexual harassment. The school is prepared to take action to prevent and correct any violations of this policy. A complete copy of this policy will be made available to students and employees upon request.

#### G. Sexual Morality

In light of God’s word (I Thessalonians 4:3, I Corinthians 6:18-20), FBBCA upholds a biblical view of morality. Whenever there is clear evidence of willing participation in sexual immorality (such as premarital sexual relations, unwed pregnancy, homosexuality) a student will not be permitted to attend FBBCA. In addition, since the scriptures teach that life is sacred, a student who has an abortion may not attend FBBCA. Parents of student in violation of these policies will be asked to withdraw them from the school without refund. Should parents choose not to withdraw the student, a hearing by the FBBCA administration will be convened to rule the dismissal.

#### H. Sexting

In keeping with the school's responsibility to provide a safe learning environment for all students, the administration has established the following policy regarding "sexting."

*Sexting is the act of sending, receiving, or forwarding sexually explicit and/or suggestive messages, photos or images via cell phone, computer or other digital device to another person with or without their consent. Students engaged in such activities are subject to state laws and school discipline. The school considers sending, sharing, possessing and/or even viewing pictures, text messages or emails that contain a sexual message or image a violation of this policy. This violation will result in school discipline, up to and including expulsion and the notification of local law enforcement. Students are expected to immediately report any such activities to a teacher or school administrator.*

#### I. Arrest and/or Conviction of a Crime

FBBCA students are expected to obey the laws of the community, state, and nation. Any student who is arrested, charged with, or convicted of a crime will be subject to school discipline which may include expulsion. Offenders are required to report such incidents to the school administration for review. Failure to report an incident will result in immediate suspension pending action by FBBCA administration regarding dismissal.

#### J. Cheating

Cheating includes any work that a student submits that has not been completed honestly and fully by the student. The exchanging of answers on homework, as well as plagiarism, is considered cheating. Both the obtainer and supplier of information are treated the same. For a first violation, the student receives a grade of "zero" for the assignment or test and a one-day suspension. In cases involving plagiarism, the work must be redone. For a second violation, the consequences will include the previous, as well as being placed on behavioral probation. If the second violation occurs in the same course/subject, the student will receive a failing grade (41% reduction) for the quarter and a three-day suspension.

#### K. Dangerous Weapons/Items

Any student who brings a dangerous weapon (firearm, knife, etc.) or any item that would endanger the health, safety, and well-being of students or staff on school property will be immediately suspended from school, pending a hearing with FBBCA administration. The possession of a concealed weapon is a felony crime, requiring the incident to be reported to the authorities. Any student who is complicit in concealing the presence of a weapon will also be suspended pending a dismissal hearing before FBBCA administration. Neither pocket knives, lighters, firecrackers, nor other types of dangerous objects are permitted at school or on school buses.

#### L. Distractible Items

Laser pointers, water guns, playing cards, cameras, listening devices, and other disturbing/distracting items are not permitted at school. These items will be confiscated

and held until the last day of school or until a parent/guardian comes to the school to obtain the item. Any of these items used for educational purposes may receive special permission for use by the principal or instructor.

**M. Chewing Gum**

Gum is not permitted on campus. Disciplinary points will be given to students who violate this policy. Repetitive offenses may warrant further disciplinary action.

**N. Inappropriate Reading Material**

Comic books, magazines, books or other material inappropriate for the school setting are not permitted. This includes eBooks and other electronically downloaded material. Inappropriate materials will be confiscated. Some may be returned during a parent conference. Any student bringing written or pictorial materials with profane, obscene, or vulgar content may be suspended from school and the material will be destroyed.

**O. Contact Between Students**

No physical contact between boys and girls is permitted at school. Students are to ensure that (whether they are in class, in the halls, or in chapel) there is visible space between them.

**P. Elevator Usage**

Students may not ride elevators without an appropriate pass. Students who choose to ride the elevator without appropriate passes will be subject to disciplinary action.

**Q. Student Internet Access**

Students will have access to the World Wide Web through a secure Wi-Fi network exclusive to FBBCA. Each student will be given an email address under the supervision of a parent/guardian to access appropriate applications and to utilize their iPad in the classroom. If a student is found to be inappropriately using the internet, disciplinary actions will be taken via FBBCA administration. **These uses apply to both on and off campus activity.**

Each parent and student will be required to sign the “Technology Practices, Rules and Regulation Agreement,” outlining further iPad-specific rules and regulations. See also section XVIII in this handbook.

**Unacceptable Uses**

- a. For personal safety:
  - Students will not post personal contact information about themselves or other people. Personal contact information includes address, telephone number, school address, work address, etc.
  - Students should promptly disclose to the teacher or other school employee any message they receive that is inappropriate or makes them feel uncomfortable.

- Students will not repost a message that was sent to them privately without permission of the person who sent them the message.
  - Students will not post private information about themselves or another person. Private information includes any information the other person(s) has not given consent to sharing.
- b. Illegal Activities:
- Students will not attempt to gain unauthorized access to the FBBCA system or to any other computer system through the FBBCA system or go beyond their authorized access. This includes attempting to log in through another person's account or access another person's files. These actions are illegal, even if only for the purposes of "browsing."
- c. Inappropriate Language:
- Restrictions against inappropriate language apply to public messages, private messages and material posted on web pages and/or social media sites posted on or off campus.
  - Students will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language
  - Students will not post information that could cause damage or a danger of disruption to another student or person's life
  - Students will not engage in personal attacks, including prejudicial or discriminatory attacks.
  - Students will not harass another person. Harassment is persistently acting in a manner that distresses or annoys another person. If a student is told by a person to stop sending those messages, the student must stop.
  - Students will not knowingly or recklessly post false or defamatory information about a person or organization
- d. Inappropriate Access to Material
- FBBCA uses a content filtering system, but no service is perfect.
  - Students will not use the FBBCA system to access material that is profane or obscene (pornography); that advocates violence or discrimination towards other people (hate literature); gambling, auction or gaming sites. On rare occasions, a special exception may be made for certain topics if the purpose of gaining access is to conduct research and both the teacher and the student's parents/guardians have approved. In addition, such access must be approved and documented by the proper administrator.
- e. Plagiarism and Copyright Infringement
- Students will not plagiarize works that they find on the internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were the student's own.
  - Students, faculty, and staff must be aware that material on the internet is covered by copyright laws. This includes pictures, text, and other graphics. All materials

used off of the internet must be properly cited. This should include materials taken from “free” sites.

- Students will respect the rights of copyright owners. Copyright infringement occurs when a person inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, students should follow the expressed requirements. If the student is unsure whether or not they can use a work, they should request permission from the copyright owner. Copyright law can be very confusing. If a student has questions, they should ask a teacher.

## *XVIII. Middle School Technology Agreement*

Middle school students will be required to furnish their own Apple iPad 2 or newer. In order to have a successful and productive year while utilizing these devices, certain practices, rules and regulations are necessary. The students will have access to the internet on these devices through our filtered network. Every effort has been made to provide a safe and sound technology experience for our students and staff. We expect all of our students and staff to use this technology in a mature and professional manner and in obedience to Biblical standards and values.

Here are some regulations to focus on:

- iPads can and will be checked at any and all times by teachers and/or parents.
- Do not share passwords with anyone. Do not attempt to use anyone else’s password to gain access to his/her account.
- Refrain from using foul language and from sharing inappropriate images, music, videos or anything else deemed inappropriate and/or offensive.
- Abstain from anything that may damage or threaten the integrity of the network.
- Refrain from careless or wasteful use of any school property (paper, ink, batteries, etc.). Use print preview to confirm that your document will print as you would like it to.
- Avoid sharing any personal information (yours or anyone else’s) on the network. Assume that anything you do on your iPad and/or school computer can be viewed by anyone at anytime.
- Playing games, “surfing the net”, chatting, etc. are not permitted during school hours unless specific authorization has been given by a teacher or administration.
- If your iPad has its own data plan/service and is not utilizing the Academy or Church Wi-Fi, all of these same rules apply.
- Charge your iPad nightly at home prior to coming to school each day.
- The iPads are not to be used outside of a classroom setting while at school unless permission is specially given by teacher.

- Abstain from taking photos and transmitting these to others. Photos may be taken when permission is given by the teacher for class assignments and projects.
- Any lost or damaged units are the responsibility of the student and his/her family. These units must be repaired or replaced immediately.
- We highly recommend the purchase of a **rugged/tough/durable cover** and stylus for your student. Also, we suggest that you purchase insurance for your iPad.
- **CELL PHONES** - In addition to the above, all cell phones are to be powered off (not merely silenced) during the school day (including extended care). This being the expectation, games cannot be accessed during the school (extended) day. Should a student need to call a parent, a school phone will be made available.

**APPS:**

- \* Educational apps will be assigned by the school and students will be informed how to download from the electronic app store. Parents annually will be asked to cover the first \$50 of purchases for school required apps. Any additional cost annually for educational apps, will be incurred by the school.
- \* **Students are allowed to place personal apps on their iPad if the parent gives consent and the app is appropriate for a school/church setting.** If parents consent to personal apps a student may want, the parent is asked to put this in writing with the name of the app(s), sign and provide this to the teacher. **Students should not have any personal apps on their iPad without parent consent and a note written by parent to the teacher.**

-----

Failure to comply with the above rules may result in a students' iPad/cell phone being collected by school personnel and returned only upon parent conference, loss of privileges, and/or other disciplinary action.

The use of technology in our classrooms is a privilege that we are very excited to offer to our students. Along with this privilege comes responsibility and respect for our fellow schoolmates and staff.
